

Leadership Robins Region 2019  
Scholarship Application  
Statement of Tuition Assistance

Leadership Robins Region provides quality leadership training and community engagement opportunities for participants. Most employers cover tuition for class participation and consider it an excellent training opportunity for their employees. That said, Leadership Robins Region strives to provide equal opportunities to all applicants regardless of employer’s ability to cover the full tuition. Accordingly, Leadership Robins Region provides tuition scholarships to selected class members with a demonstrated financial need. The only selection criterion for Leadership Robins Region scholarships is demonstrated financial need.

Scholarships are offered in the amount of \$500. Participants are responsible for the remittance of the remaining tuition. The number of scholarships available varies each year. This application will help the scholarship selection committee determine whether a scholarship is warranted. Submission of a scholarship application does not guarantee the award of a scholarship. During the scholarship selection process, applicants may be called upon to attend an interview with the Scholarship Selection Panel.
